

## **Edda Schröder**

### **Curriculum Vitae**

Edda Schröder, the founder of Invest in Visions, has been working in Asset Management in different positions since 1994. At Fleming Funds Management (now JP Morgan Asset Management), she was responsible for distribution and marketing in Europe. Thereafter, in the position of Managing Director, Edda Schröder was in charge of the Business of public investment funds in Germany and Austria for Schroder Investment Management. In 2006, she founded Invest in Visions GmbH with the goal to combine her extensive knowledge of the financial sector with social objectives.
